Dear Mrs. Kelly:

Thank you very much for becoming a member of the Carbondale Historical Society. I am sorry that this "official" thank you was not sent to you before this date.

The biweekly meetings of the Society are held in the Society's room in Carbondale City Hall, the tower room on the third floor. On February 17, 1983, the Society will present an illustrated lecture on the Delaware and Hudson Canal Company's Gravity Railroad from Carbondale to Honesdale. This lecture will take place in Marian Hall at Saint Joseph's Hospital, beginning at 7:30 P.M. Several members of the Society will participate in this presentation, which will conclude with a screening of the film about the Delaware and Hudson Canal entitled "The Canawler." On February 20, 1983, the Society's room in Carbondale City Hall will be officially opened to the public with an exhibition of the winning photographs of the 1982 Metro Photography Contest. The opening will take place between 2 and 5 P.M. I hope that you will be able to attend these events, as well as the other meetings and events that are sponsored by the Society throughout the year.

Again, thank you for joining us. Together we will preserve and protect Carbondale's irreplaceable cultural and architectural heritage.

Sincerely yours,

S. Robert Powell
